

DIRECT ENTRY TO FAU

Why Florida Atlantic University?

FAU is a dynamic, national public research university strategically located along a corridor between America's Everglades and the Atlantic Ocean.

Since day one, FAU has pushed the boundaries of higher education. Now, 50 years later, the University serves more than 30,000 undergraduate and graduate students. People from every walk of life find a place at FAU. Students choose from more than 180 degree programs, utilize more than 40 research centers and engage in hundreds of cultural and educational events every year.

The Global Student Success Program (GSSP) team is responsible for direct entry recruitment into Florida Atlantic University allowing students to integrate straight into their undergraduate freshman year.
